INTRODUCTION

The Catalogue has been prepared by the Periodicals Department of the University Library. Shri V. K. Singh, Technical Assistant, has been chiefly responsible for its compilation, while Shri R. D. Kwatra has edited the work. The contribution of Shri A. P. Jha, Assistant Librarian, in its preparation has been considerable. Shri Vinay Bhardwaj, Technical Assistant, and Shri J. P. Vidyalankar, Technical Assistant have also contributed in its compilation, while (Late) Shri R. D. Gupta, Library Assistant and Shri J. N. Tewari, Library Assistant have been responsible for the typing of the manuscript.

The effort required hard labour and prolonged persistence. A deep concern for accuracy of information required checking and rechecking at various stages. It is hoped that the Catalogue will fill in a great need of scholors and will serve as a useful tool in inter-Library Loans.

The Catalogue contains information available until June, 1979.
